Dearest Truth Seeker / Conspiracy Breaker / Hate Stopper,
 Sergeant Lanier Joseph Rogers III

<http://persons.fuckeduphuman.net/Lanier.Joseph.Rogers.III>

This morning I wake up and review your contents folder memespace container --- that reflects a file that I forgot to attach to my friend's Sammie Francher's facebook post.

This file is an audio transcription spoken voice narrative of an email that was directed to you by the ID [Gruwup.net@gmail.com] to which it was directed to your personal email address [ljrabe@yahoo.com].

So far I have no bounce back emails generated by the email processing [pop3] of these emails as a whole to your email address.

This email to you is the status of an IMPASSE that I intend to workaround if you do not return to this house -- with true integrity --and remorse for the court pathway that you continue to attempt to put into my American's Citizen's rights way of this reality.

You attempted to steer this matter of the course and pathway of the reality and honesty and the true story of a man that is a native-born resident of San Bernardino who has a peace mission in networking terms empowering me to the truth that you cannot dismiss.

That networking ideal is a :

@Gruwup.net : A Peace Building, Truth Affirming, Dishonesty Confronting, and Trust Binding Networking Ideal.

As the registration and creation of Gruwup.net was July 16th 2006, this identity and its peace networking ideal has been online for over 10 years.

This impasse is real. You are continuing the same predictability that is noted in A FOREVERMORE DUNCE:

"You are just slaves to your predictability"

This is a tired broken worn-out vinyl record playing on the same skip of broken music media, a vinyl record and a needle to fit into the groove. This is assuming to not acknowledge me and my networking documentation and evidence and storyline to be placed upward onto a discussion table and take the resources at the calling by you to assist me to derail my logic that does not place and put all of these pieces together in a narrative that this audio speaks of:

<http://persons.fuckeduphuman.net/Lanier.Joseph.Rogers.III/Reprimands%20Available%20---%20What%20does%20that%20mean.ogg>

Your remorse when you realize this, if you have been an innocent bystander sitting on the side of ignorance that this conspiracy that cannot be brought into view, because of it's so hateful hurtful sources, that ignorance you attempt to deny --- I don't believe one word. You are just slaves to your predictability. You are slaves to this narrative. You are protecting a system that is not very nice to have implemented against a population of the HIV Communities. And in this process two things remain occurring:

[1] The DEATHS OF AMERICAN CITIZEN'S THAT THIS GOVERNMENT SPONSORED HATE IS RESPONSIBLE FOR! UNNECESSARY AND PREVENTABLE DEATHS BY THE DETACHMENT OF HAVING ACCESS PUBLIC SOCIAL SERVICES AND DOCTOR PROVIDER CARE AND TO BE FREE OF HATERS TO A SECURE AND STABLE LIFE DYNAMIC CIRCUMSTANCES -- TO BE FORCED INTO PERPETUAL STATES OF HOMELESSNESS. [Such as I]

[2] HOW COLLECTIVELY AND CUMLATIVELY one of the sources to the oblivion millions that occur within the communities, family, friends, neighbors, outward to the city limits and beyond to the border of the United States. These oblivions left invisible do not just keep within a certain target population. The cumulative effect across all cultures and classes from the impoverished to the most wealthy [maybe not the 1%] in that memetics and memes of these oblivions millions occur unnoticed by the masses -- but occur none the less. This creates a condition of distrust so profound in our society that it is generating the conditions that are causing mass shootings -- event by event - the force to stop the mass murders is a force to rebuild trust.

Since I own a TRUST BINDING networking IDEAL -- do you not think I KNOW WHAT THE FUCK I AM TALKING ABOUT?

This is an EMBARRASSMENT sure, but as Mark Twain Once Said:
